We are enrolling the above student at the Red Cedar School for the 2016/17 school year. We agree to pay the full amount of the tuition due for our child. We understand that the plans and operations of the school depend upon this tuition and that of other students, *and that we are responsible for full payment of tuition whether or not our child attends for the full year.*

We also understand that in an attempt to keep tuition rates as low as possible, the school undertakes fundraising events to provide additional funding for the school, and that we are responsible for contributing at least \$500 (profit) to the school's fundraising efforts. We understand as well that the school expects parents to participate in two workdays over the year to help with projects needed by the school or to pay in \$50 for each workday.

*Signing this contract commits any parent or guardian who signs to ensuring that tuition is paid in full within the time frame specified by the school. If a second person is sharing responsibility for payment of tuition, any signer of this contract will hold full responsibility for payment of the tuition in the event that the other person does not pay his or her share.*
